Seminar 2 "Health & Quality Life" - INTERREG Italia-Malta, Project Excellent Mediterranean Net (MEN) - MCast, March 17, 2023

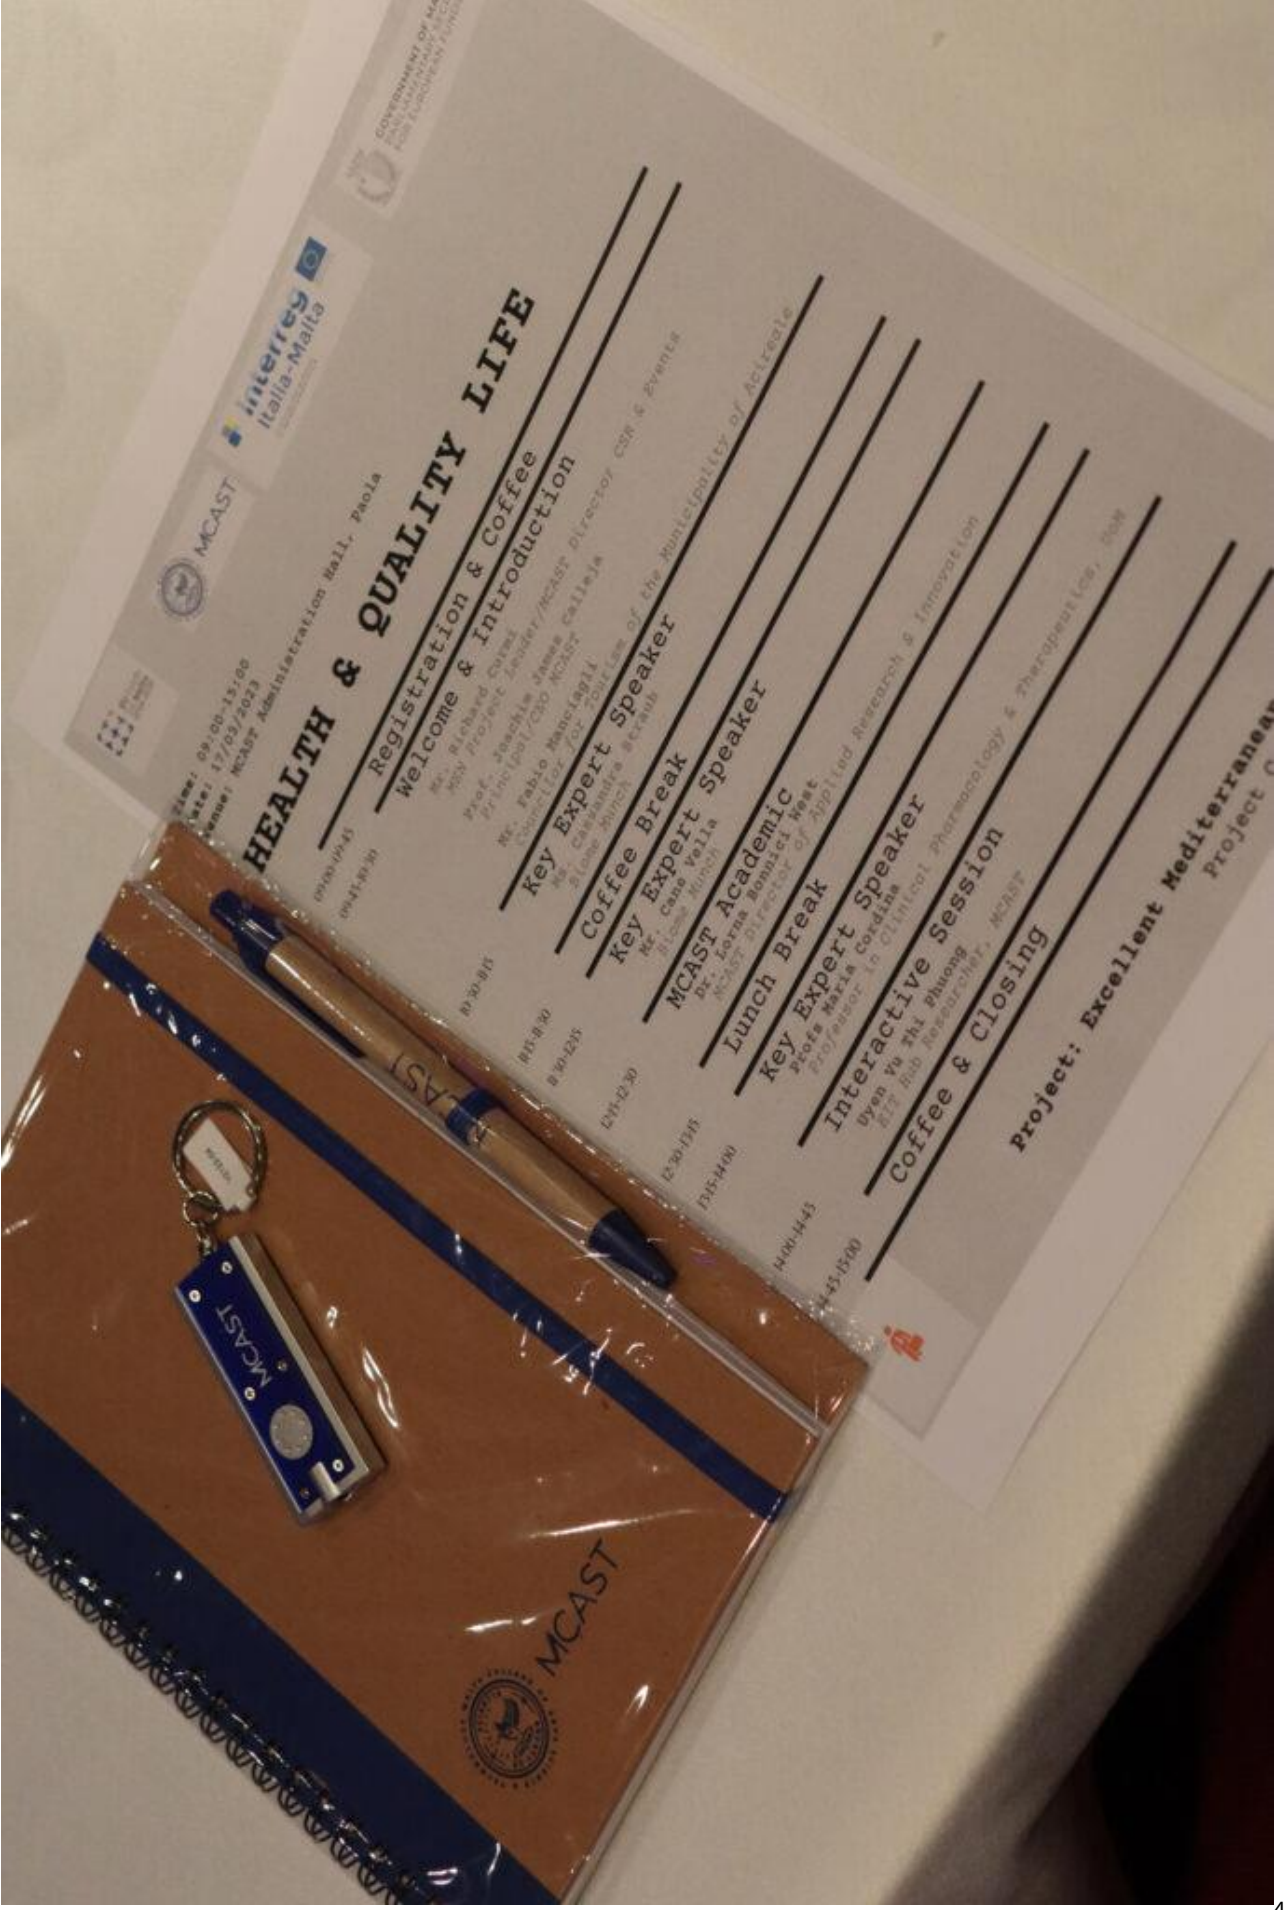

Excellent Mediterranean Net MEN project has organized its second seminar focusing on the theme "**Health & Quality Life**". The project is aiming to achieve the objective of promotion of cross border work mobility between Italy and Malta.

The event portrayed an active participation of both MCAST students and academics along with Italian interns, who are taking their work mobility in Malta, and some key experts from the sector.
